() Is the program accredited?

Yes, the programme was accredited in 2016.

() Do I have to pay tuition fees?

No, but there is a moderate semester fee. You can find information on that here (<https://www.ovgu.de/gebuehren.html>) (unfortunately only in German).

() When does the semester start?

Studies begin in the winter term of every year (October). Applications are only possible for the winter term.

() Are there any recommendations for structuring my studies?

An advice for the structure of your studies can be found here. (<https://www.pacs.ovgu.de/Study+Programme/Relevant+Documents.html>)

() Where can I complete my internship and how long should it last?

The internship should be completed at the end of the second semester. It has a duration of 4-6 weeks and is available for study-related areas, such as non-governmental organizations, national and international political organizations, educational training institutions, etc.

() How many pages should the internship report contain and which criteria should it fulfil?

The internship report should contain 5-7 pages and introduce the institution where the internship has been done. Also, it should contain the abilities that you have learned there as well as an evaluation of the internship.

() When and how do I register for the Master thesis?

In general you should register at the end of the 3rd semester and beginning of the 4th semester. The registration can be completed after consultation of the topic with the professor at the examination office with this form (https://www.hw.ovgu.de/hw_media/Downloads/Studium/Prüfungsamt/Formulare/Anmeldeformular+Abschlussarbeit+Englisch.pdf) For the request you need:

- ▶ Proposal for the subject area which the topic of the Master thesis will involve
- ▶ If applicable, an application for the assignment of the topic and teamwork
- ▶ If necessary, suggestions from the supervisors

More information can be found here. (http://www.verwaltungshandbuch.ovgu.de/-media_id-1650-p-48.html)

() How much time do I have to write the Master thesis and is there a possibility to extend the working time?

After the registration of your thesis, you have 20 weeks (5 months) to finish it. If you can assure by a medical certificate that you are prevented from working on your thesis, the working time can be extended up to 4 weeks.

() Can I change the topic of my Master thesis?

You can change your topic only once and only within the first three weeks of the working time.

() **Where do I submit my Master thesis?**

You have to hand in the two copies of your thesis at the examination office of our faculty.
