

MASTER PROGRAMME PEACE AND CONFLICT STUDIES

New student coordinator (actually since June 2019): Nina Rösler

13.08.2019 - Hello, my name is Nina Rösler. I am currently a Peace and Conflict Studies (<http://www.pacs.ovgu.de>) student at Otto von Guericke University Magdeburg and I am one of the two student coordinators or tutors for this Master's degree.

I want to take the possibility to briefly introduce myself. I grew up in Niedersachsen (very close to Hamburg) and after finishing school went on a journey through Australia. After one year working and traveling, I started to study Sociology at the University of Hamburg and finished my Bachelor's degree in 2017. I moved to Barcelona for a four month internship at an international NGO and later went on a journey again. In 2018 I moved to Magdeburg and started to study the wonderful PACS master.

I am mainly responsible for the website, Facebook and the planning and execution of various events. But also for your concerns or questions I am available to you at any time with open ear. If you have specific questions about the application procedure or the Master degree, my colleague Jona is the right person to contact (pacs@ovgu.de (<mailto:pacs@ovgu.de>))

If you have any questions, concerns or feedback, please feel very welcome to stop by my office in the G40 building, room 327. Or write me an email at nina.roesler@ovgu.de (<mailto:nina.roesler@ovgu.de>)

Warm regards,

Nina Rösler
