

MASTER PROGRAMME PEACE AND CONFLICT STUDIES

Publications and Projects

The professors and lecturers of the department of Peace and Conflict Studies at OvGU Magdeburg conduct research on a broad variety of topics, e.g.:

- ▶ International relations and global governance
- ▶ Terrorism and security studies
- ▶ Peace building, humanitarian action and human rights
- ▶ Climate change and sustainable development
- ▶ Interpersonal, organisational and political mediation and communication
- ▶ Narratives, discourse analysis and media in conflict
- ▶ Post-colonial studies and development

Book Chapters

A photograph of a workspace. In the top left, there is a white cup filled with dark coffee. To its right, there are some green leaves and a cluster of small red berries. In the foreground, a white pen lies on a white sheet of paper, which is placed on a wooden surface. The background is slightly blurred.
