The Faculty of Humanities, Social Science & Education provides information on ›funding options‹ (https://www.ovgu.de/Studium/Abschluss+_+Karriere/Immatrikulation+zur+Promotion/Zulassung_+Ablauf+und+Abschl%9Fsse-p-46142.html) .

For funding options for international students, please contact the university's ›international office‹ (<http://www.ovgu.de/unimagdeburg/en/International/International+Office.html>) .

Information on tuition fees are available at ›<https://www.uni-magdeburg.de/gebuehren.html>‹ (<https://www.uni-magdeburg.de/gebuehren.html>) [in German only]

Some of the biggest donors of PhD scholarships in Germany are the 13 “Begabtenförderungswerke” which choose their scholarship holders according to a set political, religious or economic agenda. If you are planning to apply for these programs it is therefore crucial to research their respective agendas.
