Commented Lecture Directory 2020/21

05.10.2020 - The › Commented Lecture Directory for the winter semester 2020/21 (<https://www.pacs.ovgu.de/Study+Programme/Relevant+Documents.html>) is finally ready!

As you can see in the document (and in LSF), the coming semester will be a hybrid semester. Many seminars will use a mix of online events and face-to-face meetings. Have a look directly at which courses you want to attend.

Due to the fact that the LSF was open much later this year than in the years before, the creation of the commented lecture directory took a little longer this time. Please also note that there may still be changes in the seminars. Please check the LSF yourself from time to time and write to pacs@ovgu.de if you have any questions.
