

MASTER PROGRAMME PEACE AND CONFLICT STUDIES

Introduction Days 2020

05.10.2020 - This year the introduction days will have to be a little bit different than in previous years. However, we will try to use a mixture of face-to-face and online meetings to create the opportunity to get to know each other.

The PACS Introduction Days start on the 22nd of October 2020 at 1.30 pm with a campus tour in small groups (meeting point: G40) and the official PACS kick-off event in G44/ H6 at 4 pm. All students who are not yet in Magdeburg or cannot attend the meeting for other reasons can join online for the kick-off event (Please remember to bring your mask!).

On Friday, October 23, the program will continue online with the opportunity to get to know teachers, a technical introduction and (zoom)meeting of old and new students in the evening.

We are looking forward to seeing all new PACS students!
