

MASTER PROGRAMME PEACE AND CONFLICT STUDIES

Lecture Series: Media & Violence

29.10.2019 -

This winter semester we want to come together in a relaxed, informal setting and listen to exciting lectures about **Media & Violence**.

Freelancer journalist Christoph Bangert will report on *Ethics in Photojournalism* on the 20th of November 2019. Shortly before the end of the year, on the 18th of December 2019, PACS students will continue with a lecture on *Research on Film and Conflict*. In the new year Dr. Axel Heck from CAU Kiel will give a lecture on *Conflicts and Video Games* on the 22nd of January 2020.

The poster for the PACS Lecture Series 2019/20, titled "MEDIA & VIOLENCE", lists four lectures. Each lecture entry includes a hexagonal icon with "R332", the speaker's name and affiliation, the date, day of the week, and time. The background of the poster shows a person's face in a circular frame, resembling a camera lens. The hashtag #bringyourowndrink is at the bottom.
