

PUBLIC PRESENTATION

Private Military and Security Companies in International Conflicts

Prof. Dr. Andreas Kruck, FU Berlin

**Thursday, 5th January 2017, 11.00

The usage of private military and security companies by Western states has reached a dramatic level. Meanwhile, the barely controllable privatization of security has increasingly been criticized after numerous scandals and failures. The presentation discusses which dynamics further this privatization and to what extent it can be limited and may even be reversed.
